SYRUP

They are at home, and any one who has doubts can uire of the person who have been cured by it. DR. KHYSER IS PREPARED AT ANY TIME T EXAMINE LUNGS WITHOUT CHARGE, FOR AL THOSE WHO NEED HIS MEDICINES.

ATTEND TO YOUR COLDS -A case of five years tanding cured by DR. KEYSER'S PECTORAL SYRUP

Риттевован, Jan. 11, 1860. DR. Heyers:—My wife has been afficied with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I precured some of your Pectoral Cough flyrup. I bought, the first time, a fifty cent notific, which relieved her very much; I then carled and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine my self to a cold and cough. The medicine cared me by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Pressured, Nov. 18, 1886.

Dr. Karser :—Although not an advocate of Pates Medicines, in general, it affords me pleasure indescribble to recommend your Pedroral Syrap. As a medicine it is well worthy the attention of any person who may is any manner be afficied with coughs, colds and hoursees of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the sewerest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above flyrup it would relieve me entirely.

In recommending this medicine, I must unhealtatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDW ARD J. JONES,

Cashier Citizens' Deposit Bank.

I have used Dr. Keyser's Cough Symp for a bad coug of several years standing, and can choorfully say it is the best medicine for the same that I have ever taken. J. W. PRICE.

COL. PRATT AND DR KEYSER'S PROTORAL SYRUP.—Dr. Kryser—Dear Sir: Excuse the delay of my soknowledging the excellence of your Fectoral Cough Syrup sconer. I take great pleasure in saying that it is all you say it is. He mosted the noise out of my cough and the worst one I was ever afflicted while I have not used more than one-half of the bottle, and I can sand do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freshy than I ever did. I shall always acknowledge a debt of grailtude for inventing so excellent a remedy. To our sea tilberty to use my name in this repard, as you think proper. E. F. PRATT.

READ THE TRUTH.—Dr. Krysm: I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ager's Cherry Pectoral.

I purchased from you a bottle of your PECTOKAL STRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street. Alleshens.

A GREAT CURE BY DR. KEYSER'S PROTORA STRUP.—I live in Peebles township, allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. samplered the best physicians in the country, and my cough continued unabated until sarly in October: At that time I was advised to try your PROTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the congling and spitting. The
despaired of ever getting well, and I think it should b
known that this valuable remedy will do for others wha
it has done in my case.

Witness—B. M. KERR.

PASTON Tr., April 14, 1837.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a had cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third or a bottle of your Peetoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about sightly years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles sast week, and are now entirely out. Elr. A. Alter and Mr. P. Maher, both of Blairsvi ie, Pa, tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully,

J. S. WATTERSON & BONS.

ANOTHER NEW CERTIFICATE—DR. KEYERS'S
PECTORAL SYRUP.—I had been croubled with a cough
and cold for several weeks—so bed was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city. Whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Syrup, which oured me cutrely. Blaned,
